**PORTO RICO TOBACCO****COPENHAGEN CHEWING SNUFF**

We guarantee Copenhagen Snuff is now and always has been absolutely pure. It is made of the best, old, rich leaf tobacco. The Snuff Process retains the good of the tobacco and expels the bitter and acid of natural leaf tobacco, making Copenhagen the world's best tobacco for both chewing and snuffing.

Whenever a dealer has any difficulty in obtaining his supply of Copenhagen Chewing Snuff satisfactorily, we will help him if he will write us.
